Dear Ms. Minnis:

Thank you for your generous contribution of \$500 on behalf of the National Black MBA Association for Konbit for Haiti.

As you may know, the Kreyol word Konbit exemplifies the action of community support; collaborating and cooperating for the greater good. Konbit for Haiti, a 501 (c)(3) organization based in the Little Haiti neighborhood of Miami, Florida, is committed to Haiti's recovery and strives to be the link between the community in the United States and the people of Haiti.

Since its inception, Konbit for Haiti has deployed hundreds of healthcare volunteers, offered countless Haitian families in South Florida the opportunity to connect with family in Haiti through donated phone services continues to promote community based leadership development programs aimed at creating the next generation of Haitian-American leaders

Your contribution makes it possible for us to continue our mission throughout Haiti and Miami. With the help of donations from supporters as you, we will continue to see improvements in our neighborhoods and also create a sustainable Haiti.

Needle to say, the cost of running a non-profit does not go away. We hope with your continued support in the future we will be able to meet the needs of all communities involved.

Thank you again for your generous gift and your support of Konbit for Haiti. To learn more about Konbit for Haiti, please feel free to stop by and tour our facility or visit our website www.konbitforhaiti.org.
